Harmonie Rox

Coonawarra • Chardonnay • 2022

From the Southern corner of South Australia, Harmonie reigns in a world dominated by big, bold, ageing reds. Vibrant and free, she embodies the spirit of earth and peace in perfect unity with nature. She Rox this new age tradition as she parades through the world. Unsatisfied with reds reigning the Coonawarra region for years, we've liberated these top-notch grapes and created the unthinkable, a Coonawarra Chardonnay!
