

RedHeads

Studio Bar

Grenache • Barossa Valley • 2022

Our Studio Bar range is our small parcels of fruit that we sniff out that show great potential then lead to absolute gems in the winery, but we may not have the luck to land them again.

Our label was inspired by the bar in the original RedHeads Studio which was adorned by posters and stickers the team had whacked on there. While the bar and labels looked jumbled together without thought, the wine in the bottle was laboured over and meticulously hand-crafted to create a unique and individual wine with varietal flavours.

Grape Variety: Grenache

Region: Barossa Valley

The Story: This old-vine Grenache vineyard grown by Barossa Legend Adrian Hoffman is one to shout about. It's in the Ebenezer region in the northern Barossa with vines around 70 years old. Fruit from this vineyard is taken by Rockford and Chris Ringland to name a few and we hand-picked it and fermented in small, open-top fermenters. It was destined for Princess of Thieves GSM but we couldn't help but set a few aside a few barrels to make a straight Grenache.

Winemaking: Handpicked then fermented in small, open-top fermenters. Hand plunged and finally matured in seasoned French and American oak for 9 months.

Tasting Notes: Medium red colour. Blackberry and red fruit characters on the nose extending to the palate with nice fine grain tannins and a ripe juiciness on the finish.

Food Match: Braised beef

Ageing: Should develop beautifully up to 8 years.

Alc. Vol: 15%
