

RedHeads

Studio Bar

Monte • Barossa Valley • 2022

Our Studio Bar range is our small parcels of fruit that we sniff out that show great potential then lead to absolute gems in the winery, but we may not have the luck to land them again.

Our label was inspired by the bar in the original RedHeads Studio which was adorned by posters and stickers the team had whacked on there. While the bar and labels looked jumbled together without thought, the wine in the bottle was laboured over and meticulously hand-crafted to create a unique and individual wine with varietal flavours.

Grape Variety: Montepulciano

Region: Barossa Valley

The Story: This is a single vineyard site we sourced from Pindarri – a small boutique producer on the western ridge of the Barossa, destined for our R'Dotto Royale. We fermented it in small open top fermenters.

Winemaking: After picking, grapes were fermented in small, open-top fermenters. Hand plunged and finally matured in seasoned French and American oak for 9 months,

Tasting Notes: Vibrant ruby red in colour with dark cherry and cranberry fruit flavours. A savoury palate with rich grippy tannins.

Food Match: Roasted pork shoulder

Ageing: 14.5%

Alc. Vol: Age well for 8-10 years.
