Harmonie Rox

Coonawarra • Chardonnay • 2023

From the Southern corner of South Australia, Harmonie reigns in a world dominated by big, bold, ageing reds. Vibrant and free, she embodies the spirit of earth and peace in perfect unity with nature. She Rox this new age tradition as she parades through the world. Unsatisfied with reds reigning the Coonawarra region for years, we've liberated these top-notch grapes and created the unthinkable, a Coonawarra Chardonnay!

Grape Variety: Chardonnay

Region: Coonawarra

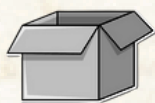

Vintage: 2023 was a cooler season with lower yields from the vineyard compared to 2022. The cooler season made for a slow ripening period which resulted in fantastic balance of acidity and pronounced fruit flavours

The Growers: The Chardonnay comes from a close friend – RedHeads Movement Member – Jack Burston. Jack is currently transitioning his vineyard to organic so watch this space!

Winemaking: Perfectly crafted in a mix of new French oak barrels and tank.

Tasting Notes: Layers of white peach and nectarine stone fruit characters with hints of citrus zest. Medium palate weight, dry with a citrus mandarin finish. The palate strikes a harmonious balance between richness and acidity. The mouthfeel is smooth and creamy, thanks to well-integrated oak aging, yet it retains a crisp, refreshing acidity that keeps the wine lively and engaging

Food Pairing: Grilled salmon, risotto with wild mushrooms or a butternut squash quiche
